

MANTLES

&

MENTORS

*“We’re in a season of an  
impartation of mantles.”*

**Robert Henderson**

Being touched by a mantle  
is not the same thing as  
actually *receiving it*.

CORNERSTONE

“You are to believe God for more and more of the anointing he carried both in **HEALING** and in **MISSIONS**, and an **APOSTOLIC ANOINTING** for the nations God is leading your leadership team into.”

**Chris Berglund**

*marks a new season.*

CORNERSTONE

“No words of mine can convey to another the cry that was in my heart and the flame of hatred for death and sickness that the Spirit of God stirred within me. The very wrath of God seemed to possess my soul.”

**John G. Lake**

But whether or not I receive  
the fullness of the mantle  
*depends on how I pursue it.***
